EXAMINER'S AMENDMENT

An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on July 5, 2006, Gregory A. Sebald (Reg. No. 33,280) requested an extension of time for 1 MONTH(S) (which is the second month and the first month has already been processed) and authorized the Director to charge Deposit Account No. 13-2725 the required fee of \$330 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims:

Claim 4, line 1, "and 2" and "(28)" has been deleted.

Claim 4, line 2, "(2)" has been deleted.

Claims 6 and 7 have been cancelled.

The following is an examiner's statement of reasons for allowance:

element to limit rotation, first and second seats as claimed and further having a tension rod connected to the first seat.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
